

SESSION 3: LONG-TERM PROJECT ASSIGNMENT

This is due at the April session

Name: _____

Please remember: Any part of your long term project may change as you work on it. This is okay; advocacy requires you to be flexible and be able to make changes as you learn more and work with others. Fill in this form even if some of it may change; you will have the opportunity to report changes each month.

All projects must be approved by the end of March, so if you are still working on that be sure to discuss your needs with your assigned staff person.

Title of your Long Term Project:

What are your goals for this work? List at least two specific goals.

Research you did in March:

List of meetings or discussions you have had in March. Use this format to report on all of them:

Meeting/discussion: _____

Person/people you met with: _____

Did you get info you were looking for? Yes _____ Some of it _____ No _____

Event you attended: _____

Your role in this event (check all that apply):

Testified ____ Submitted written testimony ____ Spoke to other participants there ____

Identified others to meet with ____ Handed out my card ____

Collected written information ____ Observed the event and took notes ____

I did not find this event useful to my project work ____

As a result of your work in March, have your topic or goals changed? Yes ____ No ____

Please report all changes you are making to your Long Term Project, if any:

Additional meetings you have already scheduled for the next few weeks:

Additional research you are planning to do in April:

Do you have some ideas for what you need to do in May and June to move forward with this work? Yes ____ No ____ I need some help with this ____

Are you keeping notes of your work, collecting business cards from contacts, collecting brochures or other information from organizations and agencies you have visited, taken photos of events you have attended? Yes ____ No ____

If you said "no" please explain how you are keeping track of your work so far:

Do you think that leaving time at the end of the Saturday session to talk about your Long Term Project work is helpful? Yes ____ No ____
