

SESSION 5: LONG-TERM PROJECT PROGRESS REPORT

This is must be handed in by the June meeting.

NAME _____

This is a report on your progress with your long term project. Your topic has now been approved and you should be at least halfway through the work. These are guidelines for you to use to monitor your progress and see what needs to be done next.

Each Long Term Project should be completed by end of August and a presentation prepared for the September graduation session. In August, we will help you get ready for the presentation.

If you have questions or need assistance contact Suzanne, Sherri, or Dana.

Has your project goal changed in any way? Yes ___ No ___

How has it changed?

List the activities or work you will do between now and the May session to accomplish the goal of your project. List dates you plan to do each activity and dates they are completed.

Activity 1:

Date you plan to do this: _____ Date completed: _____

Any changes that were made to that activity:

Activity 2:

Date you plan to do this: _____ Date completed: _____

Any changes that were made to that activity:

Activity 3:

Date you plan to do this: _____ Date completed: _____

Any changes that were made to that activity:

Activity 4:

Date you plan to do this: _____ Date completed: _____

Any changes that were made to that activity:

Activity 5:

Date you plan to do this: _____ Date completed: _____

Any changes that were made to that activity:
